TRANSPORTATION

PROJECTS WITH MAJOR TRAFFIC IMPACTS

- Fulton County is undertaking a project to provide a sewer-line diversion between Fulton and Cobb counties. From September through November 2019, Fulton County contractors will be working on Dunwoody Place. Their work will result in temporary removal of signal detection at Dunwoody Place intersections that will result in a disruption to actuated signal operations. The City's TMC staff will continue to monitor signal system during the construction project to ensure safe, efficient signal operations.

The City maintains a **Road Work Advisory page** with updates on all planned lane and road closures and advisories. You can receive weekly traffic updates and emergency traffic alerts via email and/or text by signing up for **Sandy Springs Alerts**.

TSPLOST – Tier One

- TS103: Spalding/Dalrymple/Trowbridge Intersection Improvement Project: Right-of-way clearing in advance of utility relocation is underway. This work will continue through October.
- TS-193: Hammond Drive Improvements: Traffic study was completed September 30.

Construction

- CC-10 Sandy Springs Circle Streetscape, Hammond – Mt. Vernon: Construction is planned to begin November 2019, pending construction contract award approval by the Georgia Department of Transportation. Trenching for overhead to underground utility

relocations by Georgia Power Company has started.

- TS-161 Johnson Ferry Sidewalk – Harleston to Glenridge: Construction is underway with lighting installation ongoing.
- T-6019-1 Hammond Drive at Roswell Road Sidewalk: Work began September 2019, and is near completion.

Traffic Services

- Signs
 - City contractors are currently installing 28 creek identification signs at Crooked Creek, Heard's Creek, Long Island Creek, Marsh Creek and Nancy Creek. The Watershed Alliance of Sandy Springs (WASS) initiated a program to identify local streams where they intersect city streets as a campaign to build awareness of the many creeks within Sandy Springs and as an effort to promote water quality. WASS coordinated with Public Works transportation staff to undertake this project. WASS provided the resources for the sign production and city contractors fabricated the signs and provided installation services.
- Traffic Management
 - Transportation staff are upgrading signal cabinets for providing an uninterrupted power supply (UPS) at 52 locations around the city. The UPS maintains stop-and-go traffic operations during power interruptions and maintains network switch apparatus. The project will be ongoing over the next few months.
 - Transportation contractors are replacing 15 analog CCTVs and installing CCTVs at 10 new locations at signalized intersections on Roswell Road.
 - Transportation contractors will install a pedestrian signal at the intersection of Roswell Road/SR 9 at Mount Vernon Highway in early October.
- Planning
 - The City has issued a RFP for a citywide Transportation Master Plan (RFP 20-007). Consultant proposals were due October 2, 2019.
 - Transportation planning completed a citywide Intelligent Transportation System (ITS) Master Plan. The purpose of the ITS Master Plan is to prepare the city for the next phase of intelligent transportation and emerging technologies deployment. More information may be found on the city's website: <http://www.sandyspringsga.gov/city-services/transportation-infrastructure/traffic-signals>.

NATURAL RESOURCE PROTECTION

Stormwater

- There are 56 identified projects: five are under construction, seven are under design, one in contract development, five in right-of-way/easement acquisition, 12 in technical review, 24 in scope development, and the remaining pending final invoice or inspection. Five new drainage work requests were received last week.
- Glenridge Drive Culvert- Construction continues.

- 70 Seville Chase (Design) – Pipes and structures will be lined or replaced. Utility coordination is underway for Fulton County to repair a degraded sewer line that is directly under headwall to be replaced. The project is expected to start in late 2019.
- Allen Road – The lowest bidder was Tople Construction.
- 8909 Roberts Drive – Construction continues.
- 385 Amberidge Trail – Punch list work continues.
- 680 Bittersweet Trail – CCTV documentation work continues.
